"Lynette has been with us for 19 months. As our eldest volunteer, she is certainly the most dedicated. Lynette works anywhere from 3-5 days a week, 5 hours a day. She covers for the complex manager when they are off sick or on holiday as well. Her bubbly upbeat personality makes the op-shop a welcoming environment for shoppers. Lynette mends clothing and toys, opens, and closes the shop. Is very proactive in keeping busy, always cleaning the shop, helping customers and sorting stock."
