national volunteer week

"The nominee has supported students and parents at Amanaki STEM Academy (ASA) every week of Terms 1-4, school holidays programs, NCEA exam prep camps, ASA Parents workshops, ASA annual events for the last 6 years. She also leads the ASA Working Group responsible for all fundraising events to help fund tutors for students. She is at every session, helping to facilitate and support tutors. She is always the last one to leave after every session, workshop, event etc cleaning the venue, utensils students and parents use and always takes the rubbish from the venue home as well as tea towels to wash and dry. Folole serves students, the wider community, all visitors and guests with a smile and warmth that makes people want to return to all ASA activities and functions. She has never complained, has never expected recognition or reward for all the hours, days, weeks, months and years she has committed to serving the community. Foloe is a wife, mother, grandmother and active member of the Levin Samoan congregation. She has many commitments and obligations to her family and church but she is always present at the various ASA activities and events. Serving with a smile and passion that is unique and genuine. Folole has built and maintained meaningful connection with all 125 students and their families including ASA Alumni. She is lovingly known by all as Mama Flo. I hope you grant this deserving mother the honor of receiving this award as a way of acknowledging her invaluable contribution to the achievements, growth and wellbeing of Pasifika students aged 9-18, their families and ASA Alumni for the past six years."
