

VOLUNTEER RECOGNITION EVENT
PN | MANAWATŪ | HOROWHENUA | TARARUA

Te Wiki Tūao ā-Motu
national volunteer week

"Dave has been invaluable to the smooth running of the Horowhenua Kai Club since it began in May 2023. He has shown up week after week with boxes he's picked up from the supermarket, to bring in the produce off the truck, pack the fruit and vege for the orders and then wait at the community centre for people to collect their boxes. A few times we have been caught short of volunteers and Dave has done the whole operation by himself! He is an easy-going kind person and everyone who comes in loves working with him. He is so humble he doesn't realise the huge impact he has made in the community. He regularly orders kai boxes to give away to whānau who need it. It's true that the Kai Club wouldn't be what it is today without Dave - he is the glue that holds the club together. We are so lucky to have him on the team."
