"Danielle has been a core team member at the Awapuni Guide unit since Nov 2020. She started as a volunteer leader who was great at delivering the Guide programmes to the girls in a fun and engaging way. During her time with Awapuni, she has taken on more and more responsibility, becoming the main leader for Awapuni Guides. In 2022, the main Brownie leader was due to move away from Palmerston North so Danielle took on this unit as well, running fun activities for the younger girls and showing true Guiding spirit in the face of challenge. Danielle is also a valued member of the wider Palmy & Feilding Guiding whanau, always there to help out with regional events. Thank you so much for all your mahi!"
