

VOLUNTEER RECOGNITION EVENT
PN | MANAWATŪ | HOROWHENUA | TARARUA

Te Wiki Tūao ā-Motu
national volunteer week

"Dennis is a long serving senior member of our Patrol, he makes himself available to PNCP for extra service to our community and deserves recognition for this. Dennis does extra 4 hour patrol shifts to cover vacancies and extra day shifts that Police have requested to assist them, there has been an increase in these instances over the last 12–18 months. Dennis is one of the first patrollers to turn up when we have a Safer Plates, Crime Prevention Event working until we are all finished and packed up. Dennis is great at sharing his knowledge and experience of PNCP with all of our committee members and patrollers. He is a great support to us training new Patrollers, he is friendly, approachable and works well with everybody and consults freely with our Police Liaison Officer. Dennis is the Patrols Treasurer and as such has been pivotal in working with our Trust Board to build us to be a financially secure well supplied volunteer group. Dennis has developed his skills around technology (laptop/desktop computer) so he can use and get the best from our accounting program and internet banking, these are wonderful tools and resources but not what Dennis has been used too over 50+ years of business and other NPO accounting. Dennis has also provided us with the use of his home for our meetings as our usual space at the police station is being refurbished."
