national volunteer week

"Kate has been volunteering at Manawatu Multicultural Council since 2010 and has started to run the classes every week since 2015. She runs an English and Arts & Crafts class every school term. She is a dedicated volunteer who enjoys and commits herself to helping others in their difficult time to learn English. Kate will patiently listen and guide them till the students are fully engaged and understand. Her passion for Arts & crafts has brought an enjoyable time for students in the classroom, Kate always brings a relaxed atmosphere to classes that she teaches, and it is always great to see her always smile at everyone when she walks in the door."
