"Manawatu PARS would like to acknowledge and appreciate Margaret-Anne for volunteering with us for the past 15 years. Due to COVID, the past few years have been difficult for our volunteers, who have been unable to contribute as actively as they formerly did. However, when the chance to assist prisoners in filling out Census applications emerged, Margaret-Anne was eager to assist. Margaret-Anne also took the time to let us know how it went and actively contributes to group discussions on how we can improve and better our service. Margaret-Anne is a wonderful addition to our volunteer team and we appreciate her continued contribution towards our organisation."
