

VOLUNTEER RECOGNITION EVENT
PN | MANAWATŪ | HOROWHENUA | TARARUA

Te Wiki Tūao ā-Motu
national volunteer week

"Mary has tirelessly and patiently worked through a mountain of outdated paperwork, often taking work home to sort through in the evening. This has helped to establish a cohesive and seamless filing system involving relevant archiving of information. Mary has excellent computer skills which have been invaluable to create an office system that is both logical and functional. Mary is very tolerant, understanding, patient and kind. Mary has given her time freely and I have valued her support immensely."
