

VOLUNTEER RECOGNITION EVENT  
PN | MANAWATŪ | HOROWHENUA | TARARUA

Te Wiki Tūao ā-Motu  
national volunteer week

"Janetta is a delight to work with every Thursday in the Whatunga Tuao | Volunteer Central office. Her welcoming positive face at the desk and her little Scottish lilt brings a smile to ours and visitors faces. Janetta is always looking for opportunities to learn and develop, as well practice Te reo so is a motivation to us as a team to continue our journies. Whenever an opportunity to attend a Whatunga Tuao | Volunteer Central event outside of PN comes up that Janetta is available to support she welcomes the opportunity to work across the role. Janetta's passion for volunteering and the community she lives in is infectious which is evidenced by the multiple and variety of community roles she has."
