

"Lisa has been a long-serving and greatly valued member of the Feilding GirlGuiding whanau. She has led the Feilding Brownie unit for over 7 years, delivering fun and educational activities for the local girls. Last year, she also picked up the Feilding Pippin unit, bringing the younger girls into the fun. Not only does Lisa give her time weekly to her units, she is also an active promoter of Guiding, organising and attending multiple recruitment events each year. Without her dedication and mahi, Guiding in Feilding would not be as successful as it is. Thank you for all your hard mahi, Lisa!"
