

VOLUNTEER RECOGNITION EVENT  
PN | MANAWATŪ | HOROWHENUA | TARARUA

Te Wiki Tūao ā-Motu  
national volunteer week

"Richard is worth his weight in gold to our community. He is a 'doer' who has been instrumental in both completing and instigating a number of our projects, these include our Hiwinui Welcome Signs, where he coordinated design and installation of our corten signs, managing our Hiwinui mass planting program, and most recently extending our Hiwinui pathway network...organising and mucking in to install over 400m of limestone pathways over a weekend. Richard also supports Hiwinui School, always lending a hand and a digger at school working bees, and stacking thousands of hay bales for our school fundraising. Additionally Richard is an active member of the Kairanga-Bunnythorpe Lions. And he does it all with a smile! We thank you Richard! An absolute legend."
