

VOLUNTEER RECOGNITION EVENT  
PN | MANAWATŪ | HOROWHENUA | TARARUA

Te Wiki Tūao ā-Motu  
national volunteer week

"I would like to nominate the whole team at Whatunga Tūao | Volunteer Central. Your ongoing support over the years has helped the Friendship Service ten-fold. Not only with the many referrals of some wonderful, well suited volunteers, but also to me the coordinator of this service. The effort, warmth and kindness received from you all is always appreciated. The speediness of responses via email is 5\*. You always acknowledge ALL correspondence...you ensure us as organisations are seen, heard and valued. Your passion and enthusiasm to connect people and all that extra behind the scenes admin/meetings do not go unnoticed. From the smiles we receive when visiting your office to the kind words and encouragements in your emails always helps. You all do an amazing job, all with your individual roles and with the support of some awesome volunteers to assist you. Thank you for the ongoing training/workshops, always being the listening ear and to offer guidance and especially for these very special Award Events. Our service is all the more better and valuable with the support from such wonderful people. Thank you Whatunga Tūao | Volunteer Central."
