

VOLUNTEER RECOGNITION EVENT  
PN | MANAWATŪ | HOROWHENUA | TARARUA

Te Wiki Tūao ā-Motu  
national volunteer week

"Daphne is one of the amazing volunteers involved with the Community Support Group Horowhenua Breathe Easy, that assists those who have breathing and respiratory problems. Daphne is very active participant of the Horowhenua Access and Inclusion Network Forum and also the Horowhenua Older Persons Network Forum, She is well connected within the Horowhenua and has a lot of knowledge herself and shares information that might be of use to others and is a great example of not letting a Covid pandemic get in the way of supporting her people - opting to jump and connect to people over the phone instead of meeting in person. She has a beautiful energy and her smile and laughter is truly infectious. She is a joy to work alongside and is very well liked and respected here in the Horowhenua."
