

VOLUNTEER RECOGNITION EVENT  
PN | MANAWATŪ | HOROWHENUA | TARARUA

Te Wiki Tūao ā-Motu  
national volunteer week

"Tara started with Parents Centre approximately 8 years ago, this was well before my time however in my 3 years of working alongside Tara she has shown compassion, commitment and dedication. Tara's main role was Fundraising Coordinator, with Tara's kind nature and commitment she soon took on more and more roles. She now has multiple roles including executive and pretty much volunteers a full time role at the Parents Centre. Tara has helped see Parents Centre through some rough financial times, the uncertainty and challenges through covid and now still trying to keep us all together, there are not many volunteers left. Tara is one of a kind and will do anything required for the Parents Centre. We would be very lost without her! Tara is a wonderful, kind lady and we love having her as part of our committee!"
