

VOLUNTEER RECOGNITION EVENT
PN | MANAWATŪ | HOROWHENUA | TARARUA

Te Wiki Tūao ā-Motu
national volunteer week

" In 2002 Gay joined the committee and has remained on it ever since. In the years following Gay has served as President, Vice President, Chief Show steward, in charge of the monthly show table to name a few of the roles she has held. Gay has been a consulting rosarian since 2003 and is only too happy to help members. Gay has been involved with the rose pruning team since 2006 and after awhile took on the role of organising the team. This is major job with it being a main fundraiser for the Society. Gay makes numerous phone calls to garden owners and the pruning team while keeping an eye on the weather to make sure the event happens. Gay leads from the front with her knowledge of rose pruning. Gay is always available to help out in our public rose pruning demonstrations and helps members. The passion for roses does not stop there as Gay has been a Trial Ground judge since 2009. Gay is a woman of many talents as she has been writing the cultural notes for our monthly magazine for many years. The Rose Ranfurly competition is supported by Gay as she visits members' gardens on the lookout for our rose entries. Gay is a lover of mini roses and enjoys being able to enter at our annual show where she has won many prizes. Gays' enthusiasm and willingness to take on tasks and giving up of her own time to help others is to be admired. The Feilding Rose Society is very grateful to have a very hard working member in Gay. ."
