

VOLUNTEER RECOGNITION EVENT  
PN | MANAWATŪ | HOROWHENUA | TARARUA

Te Wiki Tūao ā-Motu  
national volunteer week

"Kevin is a senior Patroller and a valued member of our team. Kevin is our Trust Board and Management committee Chairman and regularly comes up with new ideas for the development and the growth of our Patrol. He is an open communicator with all members of these committees and keeps in contact with our Police Liaison Officer. Kevin has done extra rostered (4hour) patrols every month and has become wonderful at picking up day patrols to assist Police with covering special taskings. He is also good at assisting when we have patrollers who can't make a shift and we need cover at short notice. Kevin has great energy with our crime prevention work with Safer screws promotions, he turns up to set up and is one of the last to leave. Kevin is always ready to share his knowledge of patrol with others and has developed a depth of experience over his few years with us by the volume of Patrols he is doing. He has taken extra time to study the Police Radio Communication, resulting in him having a good skill level to pass on to our new and developing patrollers. Kevin told me when he first joined us that he wasn't sure "you would have any use for an old bugger like me." Kevin is now one of our biggest advocates, and realises we have use for anyone who can do the job from 18 to 108 age is not a barrier! (From another little chat.)"
