PN | MANAWATŪ | HOROWHENUA | TARARUA

Te Wiki Tūao ā-Motu  
national volunteer week

"Manawatu PARS would like to acknowledge and appreciate Myra for all the work she devotes to numerous organisations in addition to ours. Myra has been a volunteer with us for the past 13 years, and during that time, she has continuously demonstrated a positive attitude and a passion for helping. Due to COVID, it has been difficult for volunteers as they have not been able to contribute as actively as they once could. Myra continued to put herself forward for a variety of additional roles despite this, such as, facilitating drives out to the prison. This enables family members to visit prisoners in the prison. Without Myra's continual assistance, family visits might be less frequent. Myra also offers her assistance whenever she can for other tasks, such as assisting prisoners complete Census applications, election assistance, and regular prison visits. Myra is a wonderful addition to our volunteer team, and we appreciate having her join us at all of our volunteer outings.."
